Message...

It gives me great pleasure to know that the Council of State Industrial Development & Investment Corporations of India (COSIDICI) is organizing an 'Award Function' on 15th February, 2013 for felicitating successful units financed by State Level Financial Institutions (SLFIs).

COSIDICI, the national federation of SLFIs has been engaged in commendable activities related to promotion and development of industry in the small and medium sector which include exchange of information, training and advisory services.

I hope the 'Award Function' would encourage well performing units as also the State Corporations contributing towards industrialization to scale greater heights.

I congratulate COSIDICI for organizing this function and convey my best wishes.
